GUIDANCE CORNER

AIS “Experience Day” at Maastricht University

Students from the Canadian Section of AFNORTH International visited Maastricht University for our very own “Experience Day” on March 28 2017. The purpose of the field trip was to expose students to a post-secondary educational environment, learn about the various Bachelors programs offered in English and enjoy a day outside of school for a glimpse at future possibilities.

Students were welcomed at the University College Maastricht building with a beverage, an introduction to Maastricht University and a brief description of the Problem Based Learning teaching style. They were then escorted on a tour of the inner-city facilities with university students from the various faculties including Business, Engineering, Medicine, Arts and Science. Following a delicious lunch, students met outside with Student Representatives from the English-speaking Bachelor programs to ask questions in general and more specifically regarding the programs which they selected in advance on their visit.

Ms Lunney
PICTURES FOR GRADUATION
If you have not yet sent in your grad’s pictures, please do so as soon as possible.

The sooner you can send us a list of your visitors for the graduation ceremony, the better. We send the list to the guards on JFC so your visitors won’t have any problems accessing the base (the list is due on 25 May at the very latest).
