

AFNORTH International School

Inspiring Respect, Resilience and the ability to Think and Act Inclusively
in our international environment

International Student Collaboration Day

Thursday 30th January

Who am I? Who are we?

Adrian Hayes

Record-Breaking Polar Explorer, Adventurer and Author.
Thursday 30th January at 14:20–15:25 -School Library

True Grit!
You are invited
To join us.

Former Army Officer and Special Forces soldier, Adrian Hayes has conquered the 'three poles' of the Earth - Everest, K2 and the North and South Poles. He has travelled the length of Greenland by kite-ski and the Arabian Desert by camel amidst a lifetime of adventure; setting two Guinness World Records, writing two books, and featuring in three documentaries to date. Adrian is also an ambassador for economic, social & environmental sustainability.

Motivational speaker, Adrian aims to both inspire but also impart some concrete learning, lessons, tools and techniques gained from his unique, varied and vast experience that students can use in their own lives.

You are very welcome to join us, as we all look forward to an entertaining and informative time.

✂️
I would like to attend the Parent and Community Presentation
by Adrian Hayes on 30th January.

Number of Seats required Name

Please return this slip to your National Office by 28th January 2020
