Statement from the AIS Board of Governors.

## **UPDATE 18; INFORMATION FOR PARENTS, STUDENTS AND COMMUNITY COVID 19 VIRUS**

The AIS Board of Governors met this week and we would like to reassure all our parents and students that we are planning to open AIS in August for the start of the new School Year 2020/2021. We are planning contingences based on the status of COVID-19. The Board of Governors, the Directorate and our Principals are meeting regularly and working closely with our military community, public health officials and medical personnel to ensure decisions and preparation for opening school again are made after a thorough assessment of the status of COVID-19. Our prime concern remains the safety of the children and our staff and our decision making is taken in their best interest.

We will update further before the school year closes.

Sincerely,
