

FAMOUS FOR MORE THAN 5 MINUTES!

Expressive Arts

Exploration through and of the Expressive Arts deepens our artistic knowledge and contributes to our understanding of identities, cultures and societies.

Art/ Science combined—melting wax crayons to make art and plastic bottle keyrings—with eco message

attached.
Text—Just one plastic bag.

Science and Technology

Understanding the atomic nature of matter and how it shapes the world

We will be looking at a range of materials and how they are used in everyday life.

PROJECT INTO REUSING WASTE MATERIALS

We will be looking at comparing the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses. Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

Investigation:

Egg drop Investigation—Which materials will keep your egg the safest when dropped from a height.
Can you design and build what you will use to protect your egg from smashing.

Key question

How have the heroes and exploration from the past shaped the world we live in today?

Maths

The number system is used to represent and compare relationships between numbers and quantities.
Multiplication and division
Statistics
Geometry properties of shape
Number; fractions
Measurement: length and height

Humanities

Human societies are complex and diverse and are shaped by human actions and beliefs.

Significant people

Study the life of a significant person

Neil Armstrong—space exploration

Valentina Tereshkova - The first women in space

Emily Pankhurst—Women's right to vote

Malala Yousafzai—advocate for girls education

Year 2
Term 1 b

Taking Action Planned:

Gifting keyrings with Eco message attached to someone else spreading the message of single use plastics.

External Visitors:

Health and Well-being

Healthy relationships are fundamental to our sense of belonging and well-being.
Jigsaw: Dreams and Goals
Gender Equality

Literacy,

uage and Communication

Literature fires imaginations and inspires creativity.

Class anchor book: No difference between us

Women in Science
Little people Big Dreams: Emmeline Pankhurst

Great Women who changed the world.

Learners who speak and write effectively are prepared to play a full part in life and work

No difference between us

Mr Stink—class read aloud

Opportunities to write and present through exploration of quality texts and talk for writing approach:

Writing to entertain - The Magic Porridge Pot (T4W)

Writing to entertain - Space Poetry performances and writing—EXTREME POETRY COMPETITION

Writing poetry—Make me a spaceship dad.

T4W Second Unit = Walk the plank—adventure story
