Terry Fox Run

We are looking forward to celebrating again this year the Canadian national hero Terry Fox who ran 5,373 kilometres across Canada in 143 days to raise money for cancer research in the hope of finding a cure. That's over 5.5 times from the southern point of Germany to the northern point of the Netherlands -- and back -- in 4.5 months!!

Each year at AFNORTH International School, the entire school community continues Terry's Marathon of Hope and we expect this year will be no different. Stay tuned for this adapted event!
