

Expressive Arts

Exploration through and of the Expressive Arts deepens our artistic knowledge and contributes to our understanding of identities, cultures and societies

American Specialist Teacher for Specials

Art—3D modelling clay
Music—Learning to play ukulele
PE—Gymnastics

Science and Technology

Understanding the atomic nature of matter and how it shapes the world

Properties and changes of Materials

Compare and group together every day materials

Know that some materials will dissolve to form a solution

Describe how to recover a substance from a solution

Use knowledge of solids, liquids and gases to decide how a mixture might be separated

Demonstrate that dissolving, mixing and changes of state are reversible changes

Explain that some changes result in the formation of new materials and may not be reversible

Year 4/5

Term 1b

Chocolate

Key Question:

How do our choices and actions in shopping affect others?

Sustainable goal:

Taking Action

Persuasive letters to school community to inform of choices when shopping and how these might affect other people many miles away (**Fair Trade**). Share in newsletter and school website.

DT

Celebrating culture and seasonality
Willy Wonka's Fair Trade cookie
