

Let's Go Exploring

Maths

The number system is used to represent and compare relationships between numbers and quantities.

Number: Addition and Subtraction (within 20)

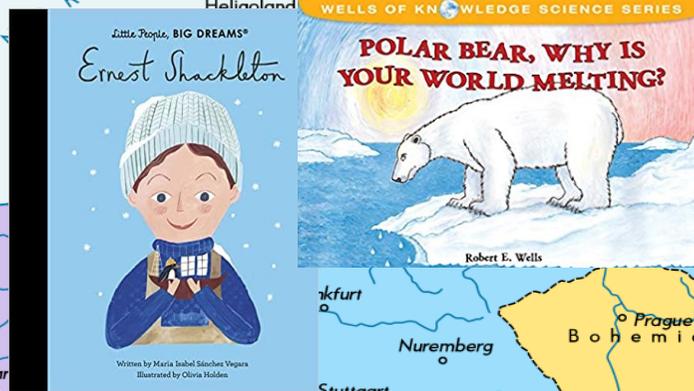

Number: Place Value (Within 50)

Measurement: Length and height

Measurement: Weight and Volume

Number: Multiplication and division

How have heroes from the past shaped the world we live in today?

Year 1
Term 3 and 4
Sustainable Goal:

Science and Technology

Understanding the atomic nature of matter and how it shapes the world.

Seasonal Changes

observe changes across the four seasons seasonal changes for Winter (January) and Spring time (March) Visit to Brunssumerheide How do humans and animals keep warm in winter?

Animals including Humans

identify and name a variety of common animals that are carnivores, herbivores and omnivores (fish, amphibians, reptiles, birds, mammals, including pets) - making bird feeders

describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds, mammals, including pets)

Design and Technology

Making Ships biscuits.

Computing

Understand what algorithms are Creates simple programs—Beebots Searching and saving images—polar animals

Literacy, Language and Communication

Literature fires imaginations and inspires creativity.

Class anchor : Revolting Rhymes

Learners who speak and write effectively are prepared to play a full part in life and work

Opportunities to write and present through exploration of quality texts and talk for writing approach:

To Entertain - Narrative: A polar bear went fishing

Plurals – adding s, es,
Verb endings—ed, -ing
Joining words and clauses with 'and'

To Entertain - Narrative: The Gruffalo

To Inform - Fact File—Polar Animals

Zoom call with Year 1 in the Falklands, to ask children there about the penguins.

Recount—A Visit to the Heide

POETRY: Penguin Poem. Then create own penguin poem.

POETRY: Going on a Bear Hunt

Learning about identity and culture through languages prepares learners to be citizens of the world.

Specialist lessons: EAL, French, German daily lessons

Humanities

Human societies are complex and diverse and are shaped by human actions and beliefs.

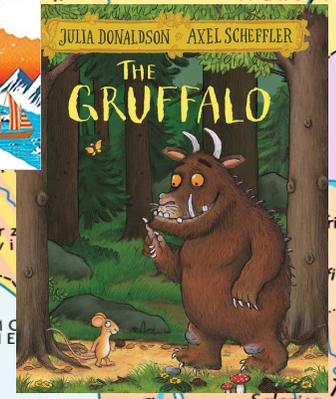

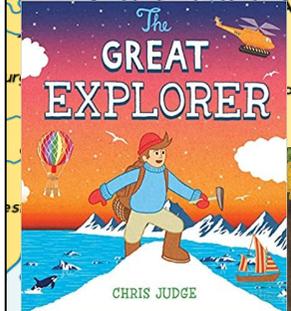

History:

significant people— we will be finding out about Ernest Shackleton—polar explorer

Geography:

Learn to use the four compass directions. Identify the location of cold areas of the world in relation to the equator and the North and South poles.

Key Events - Carnival

Forest School

Forest School helps children to grow in confidence as a result of the freedom, time and space they are given in their learning. This allows them to demonstrate independence at each individual child's rate.

Filtering water— how would explorers get clean water to drink? Shelter building.

Using a compass

Expressive Arts

Exploration through and of the Expressive Arts deepens our artistic knowledge and contributes to our understanding of identities, cultures and societies.

Mixed Media—season trees

Design and make

Visitors/Trips/Events

- Visit Brunssumerheide to see seasonal changes for Winter (January) and in Spring time (March)

Health and Well-being

Healthy relationships are fundamental to our sense of belonging and well-being.

Jigsaw—Dreams and Goals
